

King's Kids Birthday Donation Ideas:

King's Kids gives families the opportunity to donate items to the school in honor of their student's birthday. This is not a requirement but just an option to families. In the past parents have wrapped the gift and the child then unwraps the gift at circle time for the class to see. Children love to see their gift added to the room and are very proud when classmates choose their gift during center time.

When possible the item is then labeled with a label reading similar to:

"In honor of _____'s 5th birthday 2006"

Ideas of items that would be appreciated but not necessary:

Books

Manipulatives

Specialty Art Supplies

Dressing Skills Boards

Bulletin Board Materials

Items for our Science Area

Floor Puzzles or Table Puzzles

Educational Computer Games

Felt Stories

Monetary Donations for
Scholarships

My First Leap Pad Stories

Outside Toys

Sand Toys

Jump Ropes

Dress Up Items / Dramatic
Play Items

If you are interested in purchasing or ordering items please meet with the Director ahead of time to allow enough time to receive the item in time for your student's birthday.
