## Grandparent Party

Our grandparent party will take place this week **Thursday, September 13<sup>th</sup>**.

Grandparents and parents are invited to join us in the Fellowship Hall (room in center of church building with glass doors and windows surrounding it) for a brief program at **10:30am**. The children will then be able to create a craft with their grandparent, enjoy refreshments and fellowship time, and give tours of their classrooms to their grandparents.

In order to have refreshments, I ask that each family bring a half-dozen cookies or bars to share. Please bring these on a plate which we can easily leave the treats on when we serve them and then you can take extras home with you at the end of the party. Drop the treats off in your child's classroom when you drop them off at 9:00.

## Snack Info

Thank you to those of you have signed up to provide snack for a week at a time. If you have not signed up yet, please choose a week from the ones available to bring snack!

It is your decision whether or not to provide a drink with the snack. If drinks are not provided we will have water.

**September 11:** Thanks to Miranda Bredehoeft for snacks!

**September 18 & 20:** Alexis Stracke

**September 25 & 27:** Mason Petersen

**We have 10 children in our class!**

## Calendar

## Spiritual Gifts

If you have not filled out the pink spiritual gifts paper that you should have received in your yellow folder at the beginning of the school year, I encourage you to take the time to do so. I would love for you as parents to get involved as possible in your child's preschool education.

We are always looking for new ideas including field trips and visitors to fit with our themes. If you have any ideas I'd love to hear them!

## Sharing Time

We have our Sharing Time every Thursday during Circle Time. The children are encouraged to bring something to share that starts with the sound and letter for the week. Please keep the object in your child's backpack until circle time when all children will retrieve their objects.

## Pictures

All school pictures will be taken on **Friday, September 28.**

You will need to sign up for a 5 minute block of time to have your child's picture taken. I have a sheet for you near your child's nametag in our classroom.

If you have a child who is younger than preschool age and would like to have his or her picture taken as well, that is also an option. If you want a younger child's photo taken you will need to sign up your preschooler for a time towards the end of the sign-up time as all sibling pictures need to be taken after all the preschool pictures are done. I hope this makes sense!

I should be receiving a letter by the beginning of next week from LifeTouch about possible package options you can order. It is not required of you to order any pictures of your children, but they do need to have their picture taken as their picture will go on our class composite. If you have any questions, again I will do my best to answer them!

## Bizzy Bagz

Bizzy Bagz are bags of coloring books, crayons, toys, and books available for children to utilize to keep them occupied during worship. This is a ministry which was started by King's Kids a couple years back and we are going to continue with this ministry this year. The supplies for the bags are bought with King's Kids chapel offering, or Jesus money.

We need volunteers to help keep these bags updated and organized. I have a sign-up sheet for each month and am asking each family to sign up for a month to be in charge of making sure the Bizzy Bagz are stocked and ready to go. This would require emptying the bags and replacing any and all books, crayons, and toys. This is a great opportunity to work as a family to help out an important ministry of King's Kids.
