Planting Flowers

Tina Bredehoeft, Miranda's mom, will be coming on **Tuesday, April 29th** to plant flowers with the children. We will be planting flowers in large pots to be put outside by the King's Kids entrance, and possibly other church entrances.

We are in need of potting soil to be donated. If you or someone you know has some, please let me know.

If you are interested in joining us that day to plant flowers with us we would love your help!

Book It! Beginners

We are continuing on with Book It! Beginners. Thanks for your help at home with this program. Our goal is to completely cover the door by the end of April!

Sing in Church

We will be singing in church for the final time on **Sunday, April 20th**. Please meet in the 2-day classroom by **10:15am**. We will be singing in Traditional and then Contemporary, just like the last two times.

Please have your child wear their King's Kids t-shirt!

Calendar

- April 10:** Chapel with Pastor Lee
- April 18:** Book Orders due
- April 20:** Sing in church
- April 24:** Chapel with Pastor Adrian
- April 29:** Plant Flowers

Bible Coloring Picture

There will be no bible coloring page this week or next week. The letters X, Y & Z are put together on one page, which I will send home the week we do letter Z.

Tuition

Tuition is due for April! Reminder: if you started paying for preschool in August and have paid every month, this will be your final payment. I will send a note home letting you know once your balance has been paid for the year.

Snack Info

April 8 & 10: Thanks to David Taylor for snack this week!

April 15 & 17: Jozy Piper

We have 10 children in our class!

Sharing

Sharing on **Thursday** will be for the letter Xx. Your child may bring something that begins or ends with the letter X.

Nursery Rhymes

We will be spending quite a bit of time this week and next reading several different nursery rhymes and completing activities that go along with some of our favorites. If your child has favorite nursery rhyme books please send them along this week or next and we will take some time to read the book.

I'm hoping we start to see some warmer, sunnier weather soon so we can enjoy more time outside!

Book Order

April Book Orders are going home this week and they will be due next week **Friday, April 18th**. Books make a great graduation gift!

I am including a book order specifically for getting ready for kindergarten. There are many great books in there to help prepare your child both cognitively and emotionally for the changes of going to kindergarten.
