St. Jude's Trike-a-Thon

The Trike-a-Thon is this week Thursday. Please bring your child's bike or trike in with them and help them walk it over to the Family Life Center. If you are helping to set up you may begin right after you drop your child off for preschool. We will begin the Trike-a-Thon at 10:00.

Spring Pictures

The large majority of feedback I received about doing a spring portrait session was to not do one. So we will not be having spring pictures taken at school. Thanks to everyone who responded promptly!

Donations

I have a couple of parents offer some great suggestions for the Trike-a-thon. Please share any fun ideas you may have!

I am still looking for any donations of traffic signs or signals (preferably free standing), Little Tykes-type gas pump, streamers, and anything else we may need to use for decorating!

Snack Info

Januray 22 & 24: Thanks to Miranda Bredehoeft for snack this week!

January 29 & 31: Elijah Blum

We have 10 children in our class!

Calendar

January 24: Chapel with Pastor Adrian

January 24: St. Jude Trike-a-Thon from 10:00 – 11:30am in Family Life Center

February 7: Chapel with Pastor Lee

February 14: Valentine's Day Party – 10:30 – 11:30 am

February 17: Sing at both 10:30 Our Savior church services

Sharing

For sharing on **Thursday**, please bring something that begins with the letter Oo. We will do our sharing before the Trike-a-Thon.

Bulletin Board

Check out the King's Kids bulletin board in the hallway. We will be charting our donating progress as we work towards our goal of \$3000 for St. Jude's Research Hospital. Please let me know each day how much more your child has raised so we can chart it appropriately.

Chapel

We will be meeting with Pastor Adrian for chapel this week for the first time since Christmas.

Visiting Our Classroom

The sign-up sheet for visiting our classroom is on the ledge in our hallway. Sign up for a date that you would like to come visit our classroom. I encourage you to choose a book with your child to read to our class.

Bizzy Bagz

Thank you to those of you who signed up to help with our Bizzy Bagz ministry. As a reminder, Bizzy Bagz are bags which are available at both traditional and contemporary worship services to help occupy young children. We need help restocking them every couple of weeks. There are still several months that no one has signed up to help. If you want to sign up the same month as another family you may choose to complete this project together or alternate weeks.
