Pumpkin Patch Field Trip

We are going to Poppy's Pumpkin Patch this week **Thursday**. Please let me know ASAP if you could not find someone to stay with your child at the patch.

We will **meet in the parking lot at 9:00am**. King's Kids is covering the cost for each child to get in, and any adults who accompany are free. Other children are \$3 to attend. If there is rain on Thursday, please meet at King's Kids.

Wear your King's Kids shirt on Thursday!

Snack Info

October 23 & 25: Thanks to Elly and Jozy Piper for bringing snacks this week!

October 30: We need someone to bring snack!

We have 10 children in our class!

Pumpkin Recipes

Bring in your favorite pumpkin recipes! We will be talking about pumpkins in some way, shape, or form until Thanksgiving. The week before Thanksgiving I would like to give everyone a book of pumpkin recipes. So bring me your favorite pumpkin recipes and I will put them together in a book for you. You can bring me an original and I will make a copy, or bring me a copy. Thanks!

Bank Field Trip

Our Bank field trip last week Thursday was great. The children were able to see all kinds of things that go on behind the scenes and the bank, as well as eat snack in the large conference room. Thanks to Leisa Piper for helping guide the field trip. Thanks to Amber Stracke, Karen Petersen, Melissa Blum, and Kristie Arens for driving all the children and attending the field trip with us. Without your help we could not do fun things like this, so THANKS!

Sharing

We will not have a time for sharing this week due to going to the pumpkin patch on Thursday. Please take some time to look around your house for objects that begin with the letter Hh and share them with one another!

Calendar

October 25: Poppy's Pumpkin Patch Field Trip

November 1: Chapel with Pastor Lee

November 1: Tuition Due

November 1: Fall Festival Party - 10:30-11:30

Chapel

We held chapel in the Sanctuary last week. It was quite the experience singing and learning more about Jesus in such a large room. The ceiling in the sanctuary leaks, so we literally were able to watch it rain inside!

Reading Tree

Keep up the great work of reading books! We have a very full tree and will continue to fill it up. If you need more slips of paper you can find them on the extra desk in our classroom. Thanks for all your help!

I do not have any group pictures from our field trip last Thursday but will try to get one and put it in the newsletter next week.

Orange and Square

Last week we focused on red and circles. We walked around the church and found lots of things that were red and circles. The children were also instructed to look for these things at home and report back to me, which they did a great job doing! This week we will focus on the color **orange** (shouldn't be too hard with pumpkins!) and **squares**.

Next week will be yellow and triangle!

Scholastic Read

Our class read over 100 books in the month of October, so 100 books will go to children who need books thanks to Scholastic Book Club.

If you ordered books from Scholastic, you should receive them this week!

This Week

Bible Story: David and Jonathan
1 Samuel 18:3-4; 20:42

Theme: Celebration of Fall Colors/Pumpkins

ZooPhonics: Honey Horse

Sharing on Friday: Something with the sound of Hh
