Bedtime/Pajama Party

The King's Kids Bedtime/Pajama Party will be held this week **Friday, May 2nd at 6:30pm** in the Fellowship Hall. This is an event for the entire family to come enjoy. I will be reading some books and we will be singing some songs.

Each family will need to bring some type of dessert, drink, or paper product. Please sign up for whichever one you would prefer on the sign-up sheet on the green table in our classroom.

If any parent or older sibling would be interested in also reading a book that night that would be great! Just let me know!

Sharing

Sharing on **Friday** can be anything your child wants to bring. I just ask that you help your child determine which letter their object starts with.

Snack Info

April 28, 30, & May 2: Thanks to Taylor Kautz for snack this week!

We have 11 children in our class!

Calendar

April 28: Plant flowers for King's Kids

May 2: Bedtime/Pajama Party – 6:30pm in Fellowship Hall

May 7: Chapel with Pastor Lee

May 9: Park Day – Meet at Sky View Park, 18th St. Entrance

May 16: Last Day of Preschool; Graduation at 6:30pm in Family Life Center

Park Day

Next week **Friday, May 9th**, we will be having preschool at **Sky View Park**.

Please take the 18th St. entrance and meet by the playground equipment at 9:00am. We will have snack at the picnic shelter that morning at our regular time, 10:15.

Each child needs to have an adult at the park with him or her. This means a parent, grandparent, baby-sitter, etc. Please let me know if this is not possible. I don't want someone to not come that day because no one can stay with them, but I also can't watch all 11 kids by myself! Enjoy the morning with your preschooler!

If there is bad weather, meet at preschool!

Pictures

I am still working on a slide show for graduation and could use some help. I would appreciate seeing any pictures you have taken this year of preschool events. I am definitely in need of pictures that were taken at any programs, parties, or singing in church, but am interested in any and all pictures taken.

You can email them to me at kingskids@oursav.org or if you have them as a hard copy if you could give them to me and I could scan them. Thanks so much! I really appreciate your help with this project!

Book It! Beginners

I didn't get the Pizza Hut gift certificates handed out on Friday but will send them home today!

Planting Flowers

Check out the flowers we planted today! Since I obviously have to write this before we plant the flowers I cannot tell you exactly where our planter(s) ended up, but I'm sure your child will tell you!

Food Drive

Please bring any non-perishable foods to preschool and we will bring them to Jay Daniell, Our Savior's Small Group Director and the one in charge of the food drive. We will be accepting food donations until this week **Friday, May 2nd**.

Panda Bear

We have a couple more children left to take Panda Bear home. Thank you so much for your help with this activity.

Field Trip

Thank you to Steph Grubb, Paul Christian, Kim Ruth, Michele Johnson, & Melissa Schwartz for driving to our field trip last week Friday. The kids had a great time exploring several different trucks and machines. Thanks also to Tim Grubb for showing us around Nebraska Machinery and for giving each child a pencil case full of goodies.

T-shirts

We will be making t-shirts to remember our 2007-2008 King's Kids Preschool year. Here is what I need for this to happen:

*Each child needs to bring a plain white t-shirt in their size. You probably have one in your child's closet or they can be bought inexpensively at Wal-Mart.

*I need some fabric paint donations. We have a few colors here at preschool, but they're fairly unexciting (black, silver, & white). We could use a larger variety!

*A few parent volunteers to help paint the shirts. We will be placing each child's handprint on each child's shirt. I need a few parents to help paint each child's hand to put on each t-shirt.

I would like to complete this activity sometime next week...the exact day will depend on which day parents are available to help. Please bring in t-shirts this week and let me know if and what day you will be able to help.
