Field Trip

We will be taking a field trip to Nebraska Machinery on **Friday, April 25th** to visit Dillon's dad. We will have the opportunity to see a variety of large machines.

This field trip should be a big hit for this class as they are all interested in trucks and machines on some level. Every Friday the recycling truck comes to empty the recycling dumpster and the class literally has to stop whatever we are doing so we can watch him!

I will again need a few parent volunteers to drive and attend with us. I have attached a permission slip for the field trip. **Please fill out and return by this week Friday, April 18th.** Thanks!

Snack Info

April 14, 16, & 18: Thanks to Ethan Christian for snack this week!

April 21, 23, & 25: Dalton Ruth

We have 11 children in our class!

Sing in Church

We will be singing in church for the final time on **Sunday, April 20th**. Please meet in the 2-day classroom by **10:15am**. We will be singing in Traditional and then Contemporary, just like the last two times. I already know a few of you will not be in town and able to join us but if you will be around please join us because we can use all the singers we can get!

Please have your child wear his or her King's Kids t-shirt!

Planting Flowers

Tina Bredehoeft, a mom of a preschooler in the 2-day class, will be coming on **Monday, April 28th** to plant flowers with the children. We will be planting flowers in large pots to be put outside by the King's Kids entrance, and possibly other church entrances.

I am looking of a few parents who would be available and interested in helping us plant flowers at 9:00am that day. Please let me know if you would be interested!

Panda Bear

Panda Bear has been a huge hit for the kids! Thank you so much to those of you who have helped Panda Bear be a member of your family. The kids absolutely love telling their friends what they did with Panda Bear and showing them their pictures. The kids also enjoy listening to what the parents have written about Panda's experiences at each person's house.

Not only has this been a positive experience to teach children to talk in front of their peers and work on their writing and drawing skills, it's been a great tool to teach patience. They are all *patiently* waiting their turn to take Panda home. Thanks again for your help!

Pictures

I am working on a slide show for graduation and could use some help. I would appreciate seeing any pictures you have taken this year of preschool events. I am definitely in need of pictures that were taken at any programs, parties, or singing in church, but am interested in any and all pictures taken.

You can email them to me at kingskids@oursav.org or if you have them as a hard copy if you could give them to me and I could scan them. Thanks so much for your help!

Book Order

Book orders are due this week **Friday, April 18th**. You can submit them to me with a check or complete the order online.

Let me know if you need the website address, username or password to order books online.

Book It! Beginners

We are continuing on with Book It! Beginners. Thanks for your help at home with this program. Our goal is to completely cover the door by the end of April and we're doing a great job so far!
