Welcome Back

Welcome back to King's Kids! I hope you all had a wonderful Christmas and Happy New Year. We will be spending quite a bit of this week sharing stories of our vacation, getting re-acquainted with one another, and reviewing the rules of the classroom. We will also be reviewing our ZooPhonics letters.

Sharing

Instead of introducing a new letter this week, we will once again review the letters we learned the first half of the year for ZooPhonics, as well as review the remaining letters which we will be focusing on the remainder of the year.

For sharing on **Friday**, each child may bring one item to share which they received for Christmas or a favorite toy.

More detailed information will be given out at the mandatory parent meeting on **Monday, January 14th at 6:30pm** in the **Fellowship Hall**. I will have activities available for children if they need to attend with you. *At least one parent for each child needs to be present.* If neither parent is available you need to make time to talk with me personally about what will be covered at the meeting.

Papers, Papers, Papers

You may have noticed that several papers are being sent home with your child today. The blue paper is a January calendar with all the important information for the month. The pink paper is our King's Kids updated spring 2008 Calendar. That has all the important dates, days, times and locations for the remainder of the school year. The tan paper is our Theme and Dates schedule. This lists each week with the ZooPhonics lesson, theme and bible lesson for the week.

Chapel

Attached is your chapel envelope for this week. Pastor Lee will be visiting us for chapel.

Baby Wipes

I am asking each family to donate one box of baby wipes to King's Kids. We have almost completely used up our supply which was donated at the beginning of the school year. We have plenty of tissues but could definitely use more wipes. Please bring them to your child's classroom within the next couple weeks. Thanks so much for your help!

Sled

Before Christmas break several children asked me when we could get the sleds out. They seemed quite disappointed when I told them King's Kids did not have any sleds. So, if you or anyone you know has a sled that may not be used anymore but is in good condition, please consider donating it. I know the kids would greatly appreciate it!

Winter Weather Clothes

Here's a brief reminder of our winter outside time: We **will be** going outside on **Wednesdays** and **Fridays** when the weather is above freezing. Please bring the appropriate clothing so your child is able to comfortably play with his or her peers outside. Snow pants and boots would be ideal for our outside time, as well as a coat, hat, and gloves. If you do not have any of the above and it is a problem to get them, please let me know and we can work something out.

If you have any winter weather clothes – hats, mittens, gloves, snow pants, boots, scarves – that no longer fit your children but are still in decent condition, please consider donating them to King's Kids. Almost each day somebody forgets something to wear outside and we do not have too many extras. Thanks for your help!

Book Order

I am sending home the first book order of 2008! Please return them to me by **Friday, January 18th**. Remember to make checks payable to Lisa Pedro.
