Panda Bear

Starting today each child will have the opportunity to take our friend Panda Bear home for a visit. When it is your child's turn, he or she will come home with a bag which includes Panda Bear, a parent letter, and journal. Panda is invited to be a member of your family for the time which he is with you and partake in any activities or outings with your family.

Please journal with your child about Panda's adventures with your family. At this age, journaling generally includes drawing pictures and possibly "writing" some letters or "words." It would be greatly appreciated if you would write out what your child dictates about Panda's adventures with your family. When your child brings Panda back, he or she will have time to share with our class about Panda's adventures with your family.

Book It! Beginners

Our door is filling up with books being read. If you need extra cut outs you can find them in one of the extra cubbies next to your child's cubby. On Friday your child will receive a certificate for a free personal pan pizza from Pizza Hut. The certificate will expire in one month. Thanks for your help at home with this reading program!
